

Let the bargain hunting begin at the eighth annual Bodley Sweet Boutique, which features used prom dresses and accessories at greatly reduced prices. The boutique will run on Thursday and Friday from 5-8 pm and on Saturday from 10 am to 2 pm in the G. Ray Bodley High School cafeteria. All proceeds will benefit the local food pantry. In the photo above Ryan Stanley, left, and Devon Ruckdeshel show off two of the many prom dresses available for just \$25. (Jessica Vaccaro photo)

What's happening at G. Ray Bodley High School?

HOPE Club meets every Monday in room 119.

Future Business Leaders of America meets every Monday in room 116.

Fultonian Yearbook meets on Tuesdays in room 102.

Yearbooks are still available for preorder for \$60. See Mr. Senecal in room 228 during GSH.

College bound seniors are encouraged to visit the guidance office to check out a number of locally based scholarship opportunities. A small investment in time could become a large investment of money toward college.

USA-Mexico renew soccer rivalry tonight

The road to Brazil continues for the United States Men's National soccer team tonight when the Americans will face their rivals Mexico at the University of Phoenix Stadium in Glendale, Arizona. But if you want to watch them play, you will have to stay up late as the international friendly won't start until 11 pm eastern time. The game can be watched live on ESPN, WatchESPN, UniMas and ESPN Deportes Radio and can also be followed on twitter. This game will be one of the last official tuneups before the squad's 2014 FIFA World Cup preparation camp.

The last time the U.S. saw Mexico was on September 10 with the U.S. coming out with a victory that secured the team's advancement to the 2014 FIFA World Cup. The last prior friendly game between the two teams took place on August 15, 2012, at Estadio Azteca in Mexico City (Mexico's home turf). This match proved to

be historic, with USA Goalie, Tim Howard recording a shutout and Michael Orozco scoring the only goal to seal a 1-0 victory, their first ever on Mexican soil.

Upcoming matches for the Americans are:

May 27 Azerbaijan 10 p.m. ESPN2, WatchESPN, UniMas Candlestick Park; San Francisco, Calif.

June 1 Turkey 2 p.m. ESPN2, WatchESPN, UniMas Red Bull Arena; Harrison, N.J.

June 7 Nigeria 6 p.m. ESPN, WatchESPN, UniMas EverBank Field; Jacksonville, Fla.

June 16 Ghana ** 6 p.m. Estadio das Dunas; Natal, Brazil

June 22 Portugal ** 3 p.m. Arena Amazonia; Manaus, Brazil

June 26 Germany ** 12 p.m. Arena Pernambuco; Recife, Brazil

The weather is right for brown sugar smokies!

The weather is getting warmer and it's about that time for some delicious foods! Well, I suppose all the time is good but this recipe is perfect for enjoying in the newly acquired sunshine.

For this delicious appetizer, you will need:

- 1 pound of bacon
- 16 ounce package little smokie sausages
- 1 cup of brown sugar (varies depending on your tastes)

Directions:

Begin by preheating the oven to 350 degrees, and while that is warming up cut the bacon into thirds. Wrap each strip around a sausage, and place the newly wrapped delicacies onto wooden skewers (kebob

style). Put the skewers on a baking sheet and add brown sugar to taste.

When the oven is hot bake these until the bacon is crisp and that brown sugar is melting all over the place.

Your last objective is to bring these out to the porch and eat while taking cannonballs into the pool!

What's that you say? Too cold? Well the pool will be open soon enough.

Crossbow use to be allowed for all hunters

A new agreement within the New York State budget now allows crossbow use for all hunters in portions of the Northern and Southern zone big game seasons this coming fall. The agreement with the budget, which was formally approved by lawmakers on Monday, will allow hunters to use crossbows on all small game, including turkeys, and any big game season in which firearms are allowed.

Most hunters are excited about the fact that crossbows will now

New scholarship opportunities are arriving every week

Attention all G Ray Bodley seniors! Will you be attending college in the fall? If so, stop in to the GRB Guidance Office and check out the wall of scholarships. There are many scholarships to choose from so there is bound to be one that you will meet the criteria for. A small amount of time can result in a large investment of money towards your college expenses. You have nothing to lose and a lot to gain.

New scholarships are being posted to the wall weekly. Scholarship awards and deadlines vary so be sure to check them out before it's too late.

This day in history: April 2

Chrysler, Lindbergh and the first Florida landing

On this day in history Walter Chrysler was born. Chrysler worked his way up from a sweeper at the rail all the way up to plant manager of American Locomotive Company. From there he became the head of General Motor's Buick division, where he revived the Maxwell-Chambers Company, and rescued the Willys-Overland Company. With Walt's sense of leadership he bought the Dodge Brothers Company and became the planet's third largest automobile producer. Walter commissioned the creation of the Chrysler building as well.

The Chrysler building was 77 floors and had an Art Deco style. The building was the tallest in the world at the time and stayed that way for a full year.

This was the day when Charles Lindbergh Sr. paid \$50,000 for the ransom of his child. Charles Jr was kidnapped from the second story of his home and parents found a ransom note shortly after. After months of negotiation and publishing responses in newspapers a middle man brought 50k to the ransom negotiator in return for directions to the location of the child. The child was never found and around a month later the remains of the child were found near the home of the Lindberghs in New Jersey.

This was also the day when Juan Ponce De Leon landed on Florida. He claimed the territory for the Spanish empire. Other explorers had also seen the area but none other had ever claimed it or set foot

be allowed during archery season for all hunters and not only the disabled. However, non-disabled hunters will only be able to use crossbows during the last 14 days of the Southern zone archery season and the last 10 days of Northern zone archery season, both for whitetail and bear seasons. Westchester and Suffolk counties will be excluded from crossbow use in the agreement, which was determined during a heated, closed-door debate during the budget-making process. The budget also includes a provision that reduces the setback requirement for shooting a bow from the current 500 feet to 150 feet for archers, but to 250 feet for those using crossbows. This is seen as a major victory for hunters and DEC officials in their efforts to manage deer populations in urban and suburban areas.

upon it. Juan was in search of the fabled "Fountain of Youth" which would yield eternal youthfulness.

Ponce de Leon later returned in order to colonize the area which he believed was an island but was attacked by hostile local peoples. He and his crew promptly retreated to Cuba but Juan died shortly after due to battle wounds that proved fatal.

The first United States mint was created on this day. It was built in Philadelphia and featured weighing rooms and deposits on the first floor. On the second floor was where coin striking took place. "Ye Olde Mint" was the original name of the place and the basement featured horses running the mill upstairs. Two sharp dressed, fast talking men went on a tour of the mint. They then used a counterfeit key to open a display and abscond 265 dollars worth of gold pieces. These pieces, however, were easily distinguishable and quickly brought about the capture and arrest of the thieves.
