

“Run of the Dead” this Saturday in Liverpool

Are 5K races were not created equally. For those looking for something with a little more excitement and fun, this weekend is the fourth annual Run Of The Dead. It will take place on Saturday, October 10th at The Syracuse Sports Park in Liverpool.

The run begins at 11 am but runners must check in one hour early. At this point the cost is \$55 dollars per runner, but it's worth

the price. Throughout this race you will need to climb, crawl, run, duck and dive, sometimes even through mud, all while trying to avoid the bloodsucking zombies. If all of this sounds like just a bit too much, don't worry. You do not need to finish each obstacle to finish the race, however this will make you ineligible for an award at the end.

The race comes with many extra features,

including a t-shirt, bracelet, and admittance to the after party. The after party includes music, food, and a bonfire all through the night. This year the BBQ is being provided by Sharkey' right in Liverpool.

All participants under 18 must bring a parent/guardian to sign a permission slip. So for all of you zombie lovers, put on your sneakers and get ready to run.

Bodley set to say goodbye to business teacher

By Zachary Almeter

Business and Computer Toolbox teacher Mrs. House is about to see her last days at G. Ray Bodley High School.

Her last day here will be Thursday, October 15th. Carol Taormina will take her place and comes to GRB after teaching for several years at CiTi (CTE). She also spent the last two years at SUNY Oswego coordinating and working with practicum students.

Mrs. House recently took a new teaching job in Central Square where she will be teaching business and computer classes just

like she does here. Mrs. House is optimistic about the move, if only because of the more convenient commute. "I'll have a five-minute drive to work instead of a 35-minute drive," she said.

She has been a familiar face for visitors to the Red Raider's Den school store and has been one half of a very successful tandem

along with fellow business teacher Mrs. Ferlito as co-advisors of the Fulton Chapter of Future Business Leaders of America.

GRB is definitely not going to be the same without her, as her students will be sure to miss her. Farewell, Mrs. House, and good luck.

Officers named for Class of 2019

The votes have been tabulated and the final results are in for the Freshman Class of 2019. Collin Bennett is the class president with Nick Noel as vice-president. Kylee Jones claimed an extremely close vote for class secretary with Dominique Johnson set as the 2019 treasurer.

Working as fundraising coordinator is Olivia Duca. Class Advisor Ms. Severance will be meeting with the class officers on Thursday during guided study hall to get things rolling for the rest of the year.

The class is already involved with fundraising as they are selling pizza and water every Tuesday and Thursday after school across from the cafeteria.

Spikers cruise to fourth straight win

The Lady Raider volleyball team remained on a rampage on Tuesday by crushing Mexico 3-0. Outgunning the Tigers 25-6, 25-21 and 25-9 Fulton notched its fourth 3-0 win in a row to improve to 7-3 on the season. Leaders for the game were Donna Aiken with 24 assists, Amanda Blake with six kills and Nicole Hansen with eight kills and three blocks. Johanna Pappalardo also joined in with three aces. The girls hope to make it a five game win streak when play Jamesville-Dewitt at home on Thursday night.

Girls varsity tennis had a rough 6-1 loss against Mexico on Monday. Megan Guernsey was the big scorer, winning at singles.

Varsity girls soccer lost 2-1 against state ranked Marcellous. The girls played well but not well enough to take down the Mustangs. The girls are now 8-3-1 and still second in the league. The true test will be when the team takes on undefeated Jamesville-Dewitt on Thursday night. Coach Beckwith is confident that if the girls play as well as they can then they will be able to compete with them. The girls soccer team already has a spot in the sectional tournament but is looking for the best seeding possible.

By Nicole Hansen

Business teacher Mrs. House will be leaving G. Ray Bodley High School next week to join the staff at Central Square. The FBLA co-advisor will be missed by students and staff alike.

Opinion

Suicide: one week doesn't do the issue justice

By David Houck

National Suicide Prevention Week is long over. Between September 7th and September 13th, nonprofit organizations around the nation fought to raise awareness on this controversial subject.

Students raised their voices and celebrities raised awareness through social media.

The week may have ended but the conversations must continue. Settling for one week of awareness is not enough.

The number-one cause of suicide is untreated depression. Non-profit organizations such as To Write Love on Her Arms exist to invest in treatment and recovery. Depression is a disease and it, Æs not something to be ashamed about. All humans have a breaking point.

Know the signs and be ready to talk. The time we break the si-

day. Give someone hope. To find out more about the warning signs of suicide, visit www.save.org. To find out more about To Write Love on Her Arms and their mission, visit www.TWLOHA.com.

What's happening at G. Ray Bodley High School?

The next meeting of the **Fultonian Yearbook** is Tuesday after school in room 102. New members welcome.

Seniors take note: College Fair Day at Cayuga Community College is set for October 22 from 9 to 10 am. Permission slips are available in the guidance office.

French Club will meet today 6 after school in room 121 (Mlle Coleman) for a movie and a snack. New members are always welcome.

The **Class of 2019** will be selling pizza slices and bottled water after school on Tuesdays and Thursdays for \$1.50.

Spanish Club will celebrate Dia de los Muertos on Tuesday, Oct. 13 after school in room 128. Join the fun and learn about this tradition. Paperwork and money for the Spanish Club field trip need to be turned in by Friday, Oct. 16.

Attention all writers: the first **Teen Writers' Workshop** will be held today in the library from 2:30 until 4 pm. Please register in advance with Mrs. Scalfaro in the library.

CITI will be closed on Friday, Oct. 9. AM students who arrive on 7:30 transportation will spend their morning in the library, or must come to school no later than 11:28. PM Citi students needing transportation home at 11:28 must contact the transportation office at 593-5514.

The **HOPE Club** is expanding its mentoring program to all of the elementary schools, so more mentors are needed! See Mrs. Cronk in room 119 or Mrs. LaDuc in room 220 to find out more information and to pick up a mentoring application. Make a difference in the life of a young student by becoming a part of this great program.

“Students raised their voices and celebrities raised awareness through social media.

The week may have ended but the conversations must continue. Settling for one week of awareness is not enough.”

lence about suicide is long overdue. This is not a topic that should be glossed over, romanticized, or ignored. This is a decision that claims over 800,000 lives each year.

The truth is simple. We were created to love and to be loved. The biggest lie is that someone battling depression is alone. To that person I say: You are not alone. There exists someone who loves you, more than you could ever know.

What can we do? Love. Remind someone that they are loved to-

What's for lunch?

Today: Cheese pizza with salad, baby carrots and peaches

Thursday: Pork patty on a roll with whipped potatoes, corn and apple crisp

Welcome back!

A new school year, a new look

Welcome aboard to the
