

Raiders place seven on all-league football team

Special to RaiderNet Daily

The 2015 football season provided its share of memorable moments for Fulton, and this week seven players were noted for their contributions to the Red Raider cause as Class A all-stars. Headlined by the school's all-time leading rusher, Quinton Jackson, four Raiders were selected as first team all-stars while three more earned second team status. Senior Noah Gates, a second team pick last year, made his way onto the first team along with Koda LaBeef and Jake McDermott while quarterback Cody Green was a second team selection for the second straight year, joining Justin Hood and Frank Barbagallo.

Six of the seven all-league picks are members of the Class of 2016, but that came as no surprise to Fulton Coach Jeff Rothrock as the Raiders were, "very senior led this year." He praised the contributions of his twelfth grade contingent, saying, "I think the hard work of our seniors has paid off not only with them being recognized by our league, but also their leadership on the field helped us become successful."

Indeed the 2015 Red Raiders continued to make strides after a pride restoring campaign the previous year as they finished 4-5 on the season and also became the first Fulton team to advance in the playoffs since 2009 when they upended Carthage in the opening round of the Class A playoffs

Jackson concluded a star-studded career as the school's all-time rushing leader, compiling 3316 yards in just three seasons to surpass former Raider star DJ Ingham's previous mark, which was set over four years. Jackson rushed for 1375 yards on 226 carries in 2015 and contributed 1393 total yards to the Raider cause, surpassing his junior year total of 1259 yards while scoring 25 times in his final two seasons in red, a performance that helped him earn first team all-star honors both years.

Gates, a player Rothrock complimented as, "our strongest kid who lives in weight room," made a successful transition from defensive

end to defensive tackle at end of the year and was a force to be reckoned with while earning all-league honors for a second straight season. LaBeef rallied from an injury that kept him out nearly his entire junior year as he, "put a lot of time in the weight room and it paid off." Rothrock described him as "a great blocker who also played very fast at defensive tackle for us, especially for someone his size."

McDermott rounded out the first team quartet after leading the team in tackles. "His leadership on defense will be missed," the coach noted, citing McDermott as a player who, "made sure everybody was in the right position."

Quarterback Cody Green, a three year starter, earned second team honors for the second year running. "He ran our option and had a great career throwing as well as running," Rothrock commented, adding that his departure will leave, "very big shoes to fill." Green passed for nearly 1700 yards in the past two seasons and led the Raiders in scor-

ing in 2015 with 96 points.

Senior receiver Justin Hood made a successful return to the Raider fold after not playing as a junior, and also earned second team all-league status as an, "outstanding route runner with great hands." Hood led the Fulton receiving corps with 19 catches for 307 yards while making what his coach called, "some incredible catches" and also emerged as an outstanding perimeter blocker.

Running back Frank Barbagallo, the lone junior to earn all-league status, represents the future for a Fulton team that is on the upswing. "He really came on strong as a running back and also played safety" where he finished with 256 yards on 32 carries for five touchdowns while also finishing second on the team in tackles. "At 150 pounds, he gave us everything he had," Rothrock stated, and with one season remaining he will be counted on heavily when Fulton straps on the pads next August for the 2016 campaign.

Senior running back Quinton Jackson, shown here in action from 2014, was one of four Red Raiders to earn first team all-league status. Jackson ran for 1375 yards this season to close out a record-setting career as the school's all-time rushing leader. In three seasons he gained 3316 yards, the most ever for a Fulton running back.
