BE LIKE RUTH

For more than 70 years Ruth Sayer has embodied what it means to be a community spirited citizen. She devoted her time, talent and leadership to Oswego's historic, cultural, health, education and social service organizations since coming to the city in 1946. What better way to honor Ruth's service to this community than by following her lead? We should all be like Ruth and when we are, Oswego is a better, stronger and more vibrant city.
