To the Residents of the 5th Ward in Fulton:

As Mayor of the City of Fulton, I will be supporting Audrey Avery for the position of Fulton's 5th Ward Councilor. I have known Audrey since she was a child and I believe she is well equipped for this position and will work hard for the residents in her ward to improve the neighborhoods and the city as a whole. I believe she will work in partnership with members of the Council to bring positive energy to keep the city moving forward.

I encourage all 5th ward residents to support Audrey during the November election.

Sincerely yours,
